In the Qualifier, Semifinal and Medal matches, the win indicator is what you DIVIDE your point assignment by.

Remember, your Qualifier and Semifinal picks are interchangeable... if you pick a team to win the wrong one, you still get full points! And 1/2 points if they lose!

However, your Medal match picks are NOT interchangeable... but if you place a team in the wrong playoff, you still get 1/4 of your points!

Note, 1st place team plays the LOWEST ranked Qualifier winner; and 2nd place plays the HIGHEST ranked Qualifier winner. (Sort of like the NHL playoffs)
